PHCY 5442: Financial Planning for Health Institution Leaders

Financial Planning for Health Institution Leaders is a two-semester hour course designed to provide development of the financial skills of the health institution leader through exploration of financial principles incorporating the unique environment of the health institution. The mix of services (inpatient, outpatient, nursing facilities, urgent/emergency care and components) will studied through extensive use of case studies and models.

**Prerequisites:** Admission to the Master of Science in Health Services Administration program or permission of instructor. Application of credit from this course to the Master’s program may not be applicable for those taking the course by permission.
**LEARNING GOALS:** At the end of the course, students will be able to--

- Use financial metrics and reports including use of information technology
  
  **FOUNDATION:**
  Demonstrate knowledge of the standard metrics and reports  
  **APPLICATION:** Apply information from reports to cases  
  **HUMAN:** Reflect on the impact of these financial aspects on the organization and team.  
  **INTEGRATION:** Prepare effective solutions given a case and basic instructions  
  **CARING:** Incorporate in discussion and examination answers the effect of changes in financial status on interpersonal relationships  
  **LEARNING:** Employ appropriate consideration of limitations to successful decisions

- Design budgets and manage assets including capital budgets
  
  **FOUNDATION:** Explain the concept of budgets  
  **APPLICATION:** Design a budget given reports from a case study  
  **HUMAN:** Provide the best recommendations despite limitations  
  **INTEGRATION:** Select an appropriate solution incorporating sensitivity analysis  
  **CARING:** Incorporate emotional and cultural intelligence into budgeting decisions  
  **LEARNING:** Appraise the similarities and differences between the different types

- Analyze pharmacy payment and reimbursement models
  
  **FOUNDATION:** Identify concepts of reimbursement models  
  **APPLICATION:** Apply models to case studies  
  **HUMAN:** Recognize the effects of reimbursement models on individual workload  
  **INTEGRATION:** Apply a mix of multiple models into the process  
  **CARING:** Incorporate values and needs of the organization and individuals into models  
  **LEARNING:** Appraise the similarities and differences between the different types

- Develop long-term financial plans using financial analysis and investments
  
  **FOUNDATION:** Develop skills in the components of financial analysis and investment  
  **APPLICATION:** Apply long-term design and process skills to leadership situations  
  **HUMAN:** Reflect on the value of these plans on the organization and community  
  **INTEGRATION:** Devise a leadership style that incorporates these skills  
  **CARING:** Consider the competing organizational needs when constructing recommendations  
  **LEARNING:** Demonstrate the ability to apply concepts and process

- Apply the concepts from the class to case studies
  
  **FOUNDATION:** Demonstrate ability to apply concepts to new situations  
  **APPLICATION:** Identify the limitations of any technique or theory  
  **HUMAN:** Reflect on the value of developing skills for future practice  
  **INTEGRATION:** Appraise the value of multiple aspects of the course to future practice  
  **CARING:** Describe the relationship of applying financial skills to quality provision of healthcare  
  **LEARNING:** Incorporate aspects from the class into the comprehensive case successfully

**REQUIRED TEXT:**

**SUGGESTED TEXTS (content also achieved through research of Key Terms):**

February, 2018
CLASS WEBSITE:
The WyoCourses site is accessible from the University website via WyoWeb. Class lectures and slides will be posted on this site. Assignments will also be posted there (both by the instructor and the student). The student is expected to utilize the site and accept changes from this syllabus as amended on the site.

AUDIENCE:
This course is required for students in the Master of Science in Health Services Administration in the Health Institution Leadership track. Other track students may take the course as an elective. Enrollment in or completion of a degree in the health sciences is strongly recommended.

COURSE PROCEDURES:
The course instructors are Drs. Shaun Phillips and Troy Shirley. Dr. Phillips will serve as course coordinator. Both instructors live in the Midwest and times are conducted based on Eastern Time Zone. The course meets via asynchronous methods, meaning the activities are done at the student’s selected times, within specified time periods. Lectures will occur on Sunday afternoons at 3pm-6pm ET.

A class session is the time from opening of the unit until the beginning of the next session. The number and timing of class sessions, as appropriate for a 2 semester hour course, will be determined at the time the class is scheduled for a particular semester.

Opening and closing times for on-line discussion, quizzes, or other activities will be posted immediately after lecture times and close by Friday of the that week. All submissions must be made in that period, and failure to post will result in forfeiture of all points possible. Outside of technical failures of the WyoWeb or by the faculty, this process will be strictly enforced.

Instructional procedures consist of lecture, discussion, participation exercises plus assigned readings and projects. The distance education model of this course is requires some adaptation by the students and instructor from the traditional classroom setting.

Different people have different learning styles. Lecture where the instructor talks and students listen is passive on the part of the student. Discussion requires active participation on the part of the learner. In this class (as should be for all graduate-level courses), only a few topics are appropriate for lecture. The vast majority of time is meant for discussion. Your lecturers facilitate and evaluate, but we all are students and teachers together. In order for a discussion or dialogue to be successful, students must have read the assigned readings before joining class.

Whether a lecture or discussion, students should feel free to ask questions either to the entire class or directly to the instructor. If you ask a question to the entire class, it may help other students who may have the same question or provide you with multiple responses.

EXCUSED ABSENCES:
No attendance will be taken for lecture activities or office hours. Students must regularly and productively participate in class and via the discussion board. Because of the multiple available times for posting discussions and assignments as well as for taking any quizzes or examinations, the need for an excused absence would be a rare event only granted for legitimate long-term needs. Only rationale accepted by the University of Wyoming as an excused absence will be accepted.

INSTRUCTOR AVAILABILITY:

February, 2018
Office hours will be conducted virtually by Dr. Phillips. Dr. Phillips can be reached Mondays from 9am-11am ET or by appointment. Call or text during office hours at 517-303-5833. E-mail at phillish@brsonthg.org or text to schedule time outside of regularly-posted hours. Electronic mail will be answered within 24 hours during regular school days (that is, if received at 10am ET on Friday, it will be answered by 10am ET on Monday). Texts must include your first and last name as the initial line.

Students who qualify or may qualify under the American Disabilities Act should contact the Student Educational Opportunity (SEO) office located at Knight Hall (Room 330), http://www.uwyo.edu/udss/, 307-766-6189, TTY: 307-766-3073 immediately to complete paperwork for any needed accommodations.

**ACADEMIC DISHONESTY, DISCRIMINATION AND HARASSMENT WILL NOT BE TOLERATED!**

Such conduct is described within and will result in sanctions pursuant to the following School of Pharmacy and University policy and regulations:

University of Wyoming Code of Conduct
http://www.uwyo.edu/dos/conduct/

University of Wyoming Regulations
http://www.uwyo.edu/generalcounsel/_files/docs/UW%20Reg%20Updates%202016/UW%20Reg%206-802.pdf

**GRADES**

The numbers assigned to the grades shall be A=90 and above, B=80 to <90; C=70 to <80; D=60 to <70; F=below 60. The +/- system is not used by the School of Pharmacy. Graduate students, including those enrolled in the Master of Science in Health Services Administration, must maintain a 3.00 GPA (B or better).

Lecturer Quizzes (5 in total; each 10% of final grade)-------------------------------50%
Discussion Board and Case Studies (5 in total; each 5% of final grade)---------------25%
Comprehensive Final Exam (Case Study and Content Questions)----------------------25%

Quizzes may include objective (multiple choice and true-false), short essay, and problem-solving questions. They will all be time-limited. Do not begin a quiz until you have reviewed materials thoroughly!

To participate in the discussion board, each student is expected to initiate an original thread and at least one responsive thread that follow the original thread posted by another student for each class session. All threads, whether original or responsive, must relate to and involve reflective thinking directly applicable to the course material for that lecture.

The Final Exam will be posted immediately after close of the last discussion board. It will be available until Sunday at 1159PM ET. This will also be time-limited. Do not begin the final exam until you have reviewed materials thoroughly!

LECTURE 1:
Course Introduction, Importance of Finance to the Pharmacy Leader, and Inventory Management

REQUIRED READINGS:
Carroll, Chapter 1: Introduction to Financial Management,
Carroll, Chapter 13: Inventory Control

SUGGESTED READINGS:
Wagner, Chapter 8: Interdependence and Role Relationships

KEY TERMS:
Accounting
Finance
Leadership
Management
Mission
Cash
Revenue
Expenses
Costs
Profit
Workplace Interdependence
Pooled Interdependence
Sequential Interdependence
Reciprocal Interdependence
Comprehensive Interdependence
Distributive Justice
Procedural Justice
Interactive Justice
Inequity

LECTURE 2:
Finance Department Organizational Structures, Types of Cash Flows, and Intro to Financial Statements

REQUIRED READINGS:
Carroll, Chapter 2: Financial Statements
Carroll, Chapter 12: Improving Cash Flow

SUGGESTED READINGS:
Datar, Chapter 1: Accountant’s Role in the Organization
Wagner, Chapters 11, 12: Politicking and Organizational Structure

KEY TERMS:
Organizational Chart
Chief Financial Officer
Controller
Director
Mutual Adjustment
Direct Supervision
Standardization
Functional Departmentation
Divisional Departmentation
Hierarchy
Bureaucracy
Matrix Reporting Structures
Operating Cash Flow
Investing Cash Flow
Financing Cash Flow
LECTURE 3:
Accounting Principles, Financial Statement Analysis, Responsibility Reporting / Profit & Loss

REQUIRED READINGS:
Carroll, Chapter 3: Financial Statement Analysis
Zelman, Chapter 3: Principles and Practices of Health Care Accounting
Zelman, Chapter 4: Financial Statement Analysis
Zelman, Chapter 11: Responsibility Accounting

SUGGESTED READINGS:
Zelman, Chapter 2: Health Care Financial Statements

KEY TERMS:
Cash Basis of Accounting
Accrual Basis of Accounting
Journal
Ledger
Horizontal Analysis
Vertical Analysis
Ratio Analysis
Liquidity Ratio
Operating Margin
Responsibility Accounting
Responsibility Center
Variance

LECTURE 4:
February, 2018
Operational Budgeting, Pro formas, and Strategic Planning

REQUIRED READINGS:
Carroll, Chapter 4: Budgeting
Carroll, Chapter 15: Decision and Budget Impact Analysis
Zelman, Chapter 10: Budgeting

SUGGESTED READINGS:

ASHP Foundation Pharmacy Forecast 2018. Am J Health-Syst Pharm. 2017

KEY TERMS:

Strategic plan
Pro forma
Planning and control cycle
Tactics
Budgeting
Participatory budgeting
Incremental-decremental budgeting
Zero-base budgeting
Mission Statement

LECTURE 5:
Capital Planning, IT Systems, and Future Trends

February, 2018
REQUIRED READINGS:
Carroll, Chapter 10: Capital Planning
Carroll, Chapter 7: Pricing Pharmacy Products and Services
Carroll, Chapter 8: Third Party Payment of Prescriptions
Carroll, Chapter 9: Reimbursement for Pharmacy Services

SUGGESTED READINGS:
Datar, Chapter 21: Capital Budgeting and Cost Analysis
Datar, Chapter 13: Pricing Decisions and Cost Management
Wagner, Chapter 12: Structuring the Organization (yes, again!)

KEY TERMS:
Net Present Value
Depreciation
Payback Period
Compound Interest
Mutual Adjustment
Matrix Structure
Pharmacy Data Management
AAC
AWP
WAC
EAC
MAC
AMP
Copay
Coinsurance
Medicare Part D
